SECRET & REV. SECTION
20 MAR. 1925
SECTION

The Chief Secretary to the
Government of H.H. the Maharaja of Mysore,
B a n g a l o r e.

P.P.

WIRELESS APPARATUS - MYSORE PALACE.

Adverting to correspondence ending with Goverment -- Order No.G.3271-31/PP 54-23-10 dated 6th November 1924, sanctioning a grant of Rs.2300 for the maintenance of the wireless apparatus at Mysore for the use of H.H. the Maharaja of -- Mysore as against the Rs.3,500 applied for by this Department in my No.415 dated 14-7-24, I have the honour to state that the provision of Rs.500/- included therein for the purchase of spares and sundry materials during the current year is found to be very inadequate and materials to the extent of about Rs.1,600 have been already purchased to end of February 1925 on the requisition and approval of the Private Secretary to H.H. the Maharaja of Mysore and the outlay charged to General Administration as and when incurred. Most of the above purchases form purchases of parts that did not formerly exist but were made by way of capital expenses to improve and increase the utility of the apparatus. A statement of purchases made is enclosed for ready reference. The charge for materials during the remaining four months of the year will atleast be another Rs.400 and the grant for the current year will have therefore to be enhanced from 2300 to at least 3800.

As all purchases of spares and repairing parts are made at the instance of the Huzur or the Private Secretary, this Department merely acts as an agent for the purchase and

7).

and supply of the required parts at the cost of "General Administration". Further it is not possible to foresee the exact annual requirements for another one or two years more, i.e., until the apparatus has been sufficiently in use to find out the average maintenance expenditure.

As the compilation of the budget for 25-26 is also now on hand, I would request that a sum of Rs.5,000 be provided on this account for the maintenance of the wireless sets during 25-26, on the following details:-

1. Salary of an operator at Rs.110	-.	Rs.1,320,
2. T.A. of -do-	-	600,
3. Spares and sundry materials	-	2,500,
4. Cartage and other expenses	-	500
		Rs.4,920 or
		say Rs.5,000.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.

GENL. & REV. SECTN.
Bg. .....
4 MAY 1925
G. D. SECTION.

The Chief Secretary to the
Government of Mysore,
BANGALORE.

Sir,

MAINTENANCE OF WIRELESS SETS AT MYSORE.

With reference to correspondence ending with your No.G.7853-4/P.P.102-24-2 dated 9-4-25 sanctioning an additional grant of Rs.1,500/- for the current year for the maintenance of the wireless sets in Mysore (thus raising the grant for the year from Rs.2,300 to Rs.3,800)? I have the honour to state that the Superintendent, M.P.L. reports in his No.9385 dated 29-4-25 that the outlay incurred till end of April 1925 works up to Rs.4,100 and that a further grant of Rs.1,000 is necessary for the current year in order to cover the excess already incurred, and the expenditure expected to be incurred during the remaining two months.

The unforeseen circumstances under which outlay is incurred on the wireless sets have already been fully explained in my letter No.6009 dated 19-3-25, and I would therefore request you to kindly obtain sanction of Govt. for the additional funds required and communicate the same to me at your very early convenience.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Electrical Engineer.
